MURPHY, the Jeweler.

The Ledger Man has it pretty straight that Councilman George W. Crowell and Miss Sarah Brown had themselves to Vanceburg Monday and were joined in holy wedlock. Calling up Brother Crowell by phone this morning he said it was all taffy. Well, perhaps it is; as it will be 39 years in February since The Ledger Scribe passed through the same ordeal he can not speak with exact exactness as to whether it is taffy or real candy. However THE LEDGER takes chances of extending its congratulations anyway.

BROWN—KING.

Mr. James E. Brown, aged 34, and Miss Nora F. King, aged 25 years, were married this morning at 7 o'clock at St. Patrick's Church, Rev. Father Jones officiating.

Mr. and Mrs. Brown left on the 8:50 C. and O. train for a bridal trip to Chicago.

SOCIAL EVENTS

Rev. Dr. and Mrs. Charles F. Evans last evening entertained at dinner the Board of Steward of the First M. E. Church, South. Those present were Messrs. John Duley, Thomas A. Keith, E. P. Browning, John W. Boulden, W. H. Wadsworth and C. C. Calhoun.

The reception tendered Rev. R. E. Moss last evening by the officers of his Church was well attended by the members and friends of the Pastor. The evening was one of continual enjoyment. While it was leave taking of the Minister, yet all were glad he was to have such a trip of pleasure and education. Music, instrumental, by Misses Harbourn, Finnell and others, as well as vocal music by the Maysville quartet, Pickett Chunn, and especially by Miss Hanna, who sang several numbers by special request, was much enjoyed. Light refreshments were served in ices, cakes and coffee. Rev. Moss left this morning on the 5:10 train.

HEALTHY LIES

The "Imaginative" Industry a Most Thriving Business Just Now

A Ripley correspondent to The Times-Star reports to that paper of having seen the corpse of a well-dressed man passing that place yesterday on a cake of ice. He gives a minute description of the dead man's features, hair and mustache.

Not to be outdone, a gentleman of this city comes forward with the statement that he and another gentleman, while standing on the river front Monday, saw an iron safe and a large amount of corrugated iron passing down. He qualified his story, however, by stating that he thought the safe and iron were supported by a submerged float.

The gentleman who imparted this information is a man of integrity and veracity and his word is not to be doubted for an instant.

NO TRUTH IN IT

Sensational Reports of Recent Marriage Here Are Foolish

The sensational article published in Sunday's Enquirer and reproduced in The Bulletin of yesterday regarding the marriage of Mr. James N. Taylor and Miss Marian Dossie Spooner, both of Cincinnati, which occurred in this city December 28th, 1903, contains very little, if any truth, so far as what took place in this city is concerned.

Mr. Taylor did not appear, to those who witnessed the marriage in the County Clerk's office on the above date, other than a man who knew perfectly well what he was about and for what purpose he had visited the Courthouse.

He gave his age as 21 years and his business that of a merchant. He signed a marriage bond in the sum of \$100 that he was of the required age and knew of no reason why the license should not be issued, all of which he signed in a firm, bold hand. If he is only 19 years old, as the article states, he committed perjury when he made oath to being 21 years old.

It's all rot to say that he was cajoled or in any manner forced into an unwilling marriage; on the contrary, he appeared well pleased and in the best of humor and looked happy as a King.

He was married in regular form by the County Judge, who is not in the habit of doing anything in an irregular manner or countenancing a wrong. If a wrong has been perpetrated, Mr. Taylor is the guilty party and not Miss Spooner.

SUSPECT ARRESTED

It is Thought He Knows the Origin of the Market Street Fire

The mystery as to who is the guilty person that set fire to the Chinaman's laundry is being solved slowly but surely. The Chief of Police and his men have not been asleep during the interim.

They are on the scent and it will not be many days before arrests of certain parties will be made.

The eyes of the Police are upon two persons at least who would have an incentive for committing the dastardly deed.

It would not be surprising if love and revenge did not cut a figure in the matter.

They are working on several well founded theories.

Yesterday evening they arrested H. E. Hutchison, who gave his place of residence as Covington, and claimed to be an employee of the C. and O., on the charge of being drunk.

He arrived in the city Sunday evening. Later he was shown to Ida Overstreet's restaurant where he ate supper and where he remained up to the fire.

He has been under the influence of liquor ever since, and when arrested had a good load aboard.

He talked in a rambling manner, as all drunken men do more or less, but persisted and insisted that a certain person, whom he mentioned, was of the guilty party.

He said he saw them enter a building three doors below the restaurant, and that previously this same party had said to the colored proprietress of the restaurant that they would do harm to the Chinaman when they saw him.

While the Police believe he has the key to the solution of the mystery, they do not take any stock in what he says in regard to the person he would have them believe committed the crime.

Perhaps a night in Jail will clear his head and he can tell his story more intelligently.

What's In a Name?

Everything is in the name when it comes to Witch Hazel Salve. E. C. DeWitt & Co., of Chicago discovered some years ago how to make a salve from Witch Hazel that is a specific for Piles, hemorrhoids, itching and protruding piles, eczema, cuts, burns, bruises and all skin diseases. DeWitt's Salve has no equal. This has given rise to numerous worthless counterfeits. Ask for DeWitt's—the genuine. Sold by J. S. Wood & Son, Druggists.

Women's Suits

It's a shame to stigmatize such suits as these with prices so wholly out of proportion to their quality. But necessity knows no law—we have too many suits—and they simply have to go. Women who waited for January to bring their opportunities to buy a suit at a decided saving will be fully rewarded for today they can secure

\$25 SUITS for \$10.

Plain Cloths and Cheviot or Tweed Mixtures. Black, brown, navy, tan, gray and ecru. Long and short coats, chiefly in the stylish military effects, satin or taffeta lined. Suits that are built to wear. Style and tailoring perfect in every detail. \$15 is a big sum to save on one suit, especially when neither style nor quality need be sacrificed. These are suits to be proud of—they include some of the most attractive we have had this season.

It is the law of American politics that no man can make himself a candidate for President, and no man can prevent himself from being a candidate for President.

In Cincinnati Saturday \$4,000 was distributed among members of the recently dissolved Gambinus Unterstuetzungs Gesellschaft. The name also would have been distributed, but there weren't enough members to cart it away.

The mere fact that the bill creating a new county is unconstitutional cuts no ice with a Democratic Legislature, so long as it creates a few new offices to be filled by Democrats.

In the year 1903 the mines of the United States produced 73,390,000 tons of anthracite and 283,406,691 tons of bituminous coal. The value of this coal at the mines was \$484,505,524.

A STATISTICIAN says the production of beer is now more than half a barrel for every man, woman and child in the United States. If this is so, we'd like to find the chap who has our share.

THE Louisville Herald copies from THE LEDGER Dr. A. G. BROWNING's admirable sketch of the Ellsworth-Jackson Killing, and credits to the "Mayfield (Ky.) Leader." Such is fame!

JUDGE JAMES E. CANTRELL has formally announced his candidacy for Judge of the Court of Appeals, to succeed Judge BRISAM. It is presumed his celebrated Maysville speech will be the platform on which he will stand—

s agin' the Constitution for members of the Legislature to ride on free railroad passes; yet when Judge GUFFY, a Republican, offered a bill in the House to enforce this provision, every consarned Democrat voted against it. How us Democrats do obey the Constitution!

THE Chicago Coroner's Jury has returned an indictment against Mayor HARRISON on account of the Iroquois Theater catastrophe. It is hoped that Mayor STALLUP will escape a like fate on account of the burning of the dangerous sky-scrapers in Market street a few nights since.

A WASHINGTON special says the action of the President in setting aside the finding of the court-martial in the case of Lieutenant KENNETH CASTLEMAN of Louisville is most unusual. In any number of similar cases Mr. ROOSEVELT refused point blank to interfere, claiming that he would not establish such a dangerous precedent at the expense of discipline in the Army and Navy. But it must be remembered that just now the President wants to win the instructions from Kentucky, and that powerful political "pulls" are behind Lieutenant CASTLEMAN.

Dr. W. Godfrey Hunter slipped and fell in Washington City a few days ago, breaking one of his ribs and injuring another.

Attorneys John P. McCartney and Captain W. G. Dearing of Flemingsburg were here yesterday for the purpose of making a motion before Special Judge W. H. Wadsworth for a new trial in the suit of Riley Ham vs. Dan T. Fischer, a judgment being rendered recently in the Fleming Circuit Court. It is likely that the case will go to the Court of Appeals.

Cured After Suffering 10 Years.
H. F. Hart, Supt. Miami Cycle & Mfg. Co. Middletown, O., suffered for ten years with dyspepsia. He spent hundreds of dollars with medicine and with doctors without receiving any permanent benefit. He says "One night while feeling exceptionally bad I was about to throw down the evening paper when I saw an item in the paper regarding the merits of Kodol Dyspepsia Cure. I concluded to try it and while I had no faith in it I felt better after the second dose. After using two bottles I am stronger and better than I have been in years, and I recommend Kodol Dyspepsia Cure to my friends and acquaintances suffering from stomach trouble." Sold by J. Jas. Wood & Son, Druggists.

THE authorities at Frankfort will make a great mistake if they build Kentucky's new Capitol amid the dingy surroundings of the present structure. Let a new and elevated site be chosen.

THE second trial of MINNIE BRITT for the murder of her lover is in progress at Louisville. The woman has refused to assist her Attorney, declaring that the Lord is on her side. It is hoped MINNIE is right; but there have been few indications of late that the Lord was giving much attention to Court trials in Kentucky.

SOME of the newspapers make much ado over the statement that, by "strict economy," Mr. A. W. MACHEN, one of the accused Post-office "Grafters," "was enabled to save \$20,000 a year on a \$3,500 salary." They seem to forget that Mr. MACHEN is a Democrat, who was placed in office under the Cleveland dynasty, and who has been kept there ever since by virtue of the Roosevelt Civil Service fraud.

THE efficacy of the Republican system of protection, says The Louisville Herald, is attested by the fact that the merchandise exports of the United States have in six years exceeded the merchandise imports by over \$3,000,000,000. The balance of trade in favor of the United States in 1901 was \$600,000,000, and we sent abroad in that year \$3,000,000 more gold than we received. While the outflow of wealth to the Old World is enormous, America's domestic wealth is constantly on the increase.

FORMER Chief Justice GUFFY says he may draft a bill to allow members of the Kentucky General Assembly salaries instead of a daily allowance. His idea is that if a salary allowance for the term of office, payable in one or two installments, amounting to something more than the "per diem per day" were made, the lawmakers might hold shorter sessions, introduce fewer bills and put the state to less incidental expense than is caused by holding each session for the entire time allowed by law.

At the last session between 1,000 and 1,500 bills were introduced, and about 100 were passed. The others required printing, and took up much time. Hundreds served no purpose for the state, and comparatively few were believed to have been useful even as measures to "shake down" corporate interests. The incidental expense of the General Assembly, aside from the daily allowance of the members, is about \$600 a day.

With the passage of a dozen or so measures of more or less importance, the General Assembly may, it is said, adjourn in ten days from the beginning of this week without the curtailment of statute writing being felt seriously by the state.

TOO MANY PAUPER COUNTIES.

Lexington Democrat.

The bill which has passed the Senate creating the county of Beckham out of Carter, Elliott, Rowan and Greenup, with Olive Hill as the county seat, will be better in name than reality. It will, of necessity, be a pauper county, of which we have decidedly too many already.

WOULD BE A CORKER!

Louisville Times.

An Alabamian has been awarded \$10,000 damages by the Supreme Court of New York for the death of his son, who was killed September 29, 1900, by the fall of a pole supporting a Bryan and Stevenson banner erected by Tammany Hall. If damages in like amount could be collected for all the other fatalities that occurred under that banner, the Democratic campaign fund for 1904 would be a wonder.

THERE IS NO SUBSTITUTE

The people living and doing business in Market street, between Second and Third, have signed a protest to be presented to Council at its next meeting praying that body to refuse to grant permission for either the repairing or rebuilding of the frame structures recently burned on that street.

It was a well-pleased audience which witnessed the performance of "Two Old Cronies" by the Willis Musical Comedy Company last night at the Opera-house. This familiar farce comedy was never presented to better advantage, every minute being filled with amusing situation and catchy music and every member of the company contributing in a most creditable manner to the general good effect. Tonight will close this season's engagement with "A Trip to Atlantic City," the company's strongest bill. Prices 10, 20, 30 and 50 cents. Seats now on sale at Ray's Drugstore. Matinee at 3 o'clock this afternoon. Prices 10 and 20 cents.

BOARD OF TRADE

Addresses Itself to the Wide-Awake Merchants of Maysville

MAYSVILLE, KY., January 8, 1904.
To the Merchants of Maysville—Dear Sirs: On Saturday, February 20th, 1904, we have our Fifth Annual Tobacco Fair. The four which we have held in the past have proven to be very successful. They have attracted to our city the best element of all the surrounding country and a large representation from some of the principal cities of this state and Ohio. It has not only been a day of social pleasure, but a day which has brought customers to our city who have thronged our stores and gone away laden with goods from our counters. You all say, by no means let the season pass without a Tobacco Fair.

The question arises at this point, how much of a success would the Tobacco Fair be if no one displayed any more energy or interest in its promotion than you are now doing? How many farmers have you spoken to with reference to it? How many posters have you sent out? And yet you expect it to be a success.

The Tobacco Fair is "Our Fair." This appeal is to you to go to work and do your part toward making the Fifth Annual Tobacco Fair the greatest event in the history of Maysville. Plan some novel feature by which to advertise your business. Arrange to give some souvenir of the occasion which may be carried away by the visitors as a pleasant reminder of the event. Send premium lists out in all your letters. Yours, for success,
JOHN DULEY,
President Board of Trade.

What a French Astrologer Predicts Will Happen This Year

The Paris papers are commenting gravely on the unanimity of the astrologers, magicians, clairvoyants and trance mediums in predicting a year of horrors for 1904.

A leading astrologer named Jacob sizes up the situation, and the others agree more or less as to detail.

Here is the horoscope for 1904, made at the moment the sun entered the sign of Capricorn. It indicates a year of great immorality in London.

The Viceroy of India abdicates.

The United States has grave quarrels with Russia and Germany.

Roosevelt falls sick and a conspiracy is hatched against him.

Serious financial disaster in America.

The Emperor of Japan will have a grave accident.

An attempt on the life of the Emperor of China.

Volcanic shocks in Constantinople, Chile and Philippines.

The French Cabinet falls between April 7 and 19.

A panic in a music hall.

Grave accidents and popular disturbance in Russia. An attempt to poison the Czar.

Serious dissensions between Russia and Austria.

England loses prestige. The campaign in Tibet falls through.

Tremendous failures in Spain; the government threatened.

In China women massacred.

Everywhere crimes of passion, mysterious deaths and strange phenomena.

River
News

The Sprague is taking on stores at Paducah preparing to leaving for the Upper Ohio.

The big Joe R. Williams, tied up at Louisville, has a tow of thirty-four pieces, mostly coal boats, which is ready to be taken South.

Secretary Root has denied the applications to force the elevation of the six bridges over the Allegheny connecting Pittsburgh and Allegheny City.

The river is still bank-full of heavy ice. It is supposed to be from the Slatersville and Murrayville gorges, which are reported to be about 250 miles long.

Managers of the passenger lines hoped to have their boats resume their trips this week, but from the present outlook navigation will continue to be suspended indefinitely.

The towboat Adelle was sunk by the ice at Coal Haven, Ky., where she was pumping out a coal barge. Commander and Pilot Frank Moor of Bellevue, Casper Adrian of Newport and Jack Hancock of Cincinnati lost their lives.

The Hornet No. 2, Winifredo and Sam Brown were not sunk at Paden City, W. Va., but sustained serious damage. The magnificent Island Queen passed through the break-up without any damage, and will be carrying excursions again this year as usual.

Considerable damage has been done at Wheeling the past few days by the water, which was higher than for several years. Many factories and stores were put out of business, and several hundred persons were driven from their homes or to the second stories. A thousand men are out of employment because of the flood.

IT'S FOOLISH

To Ignore Such Convincing Proof as
This Maysville Citizen Gives
You Here.

You may differ from your neighbors in many important question of the day. Your opinions may coincide with those of the minority or those of the majority, and still you may be in doubt. But you can hardly be skeptical about the merit of Doan's Kidney Pills when you read such emphatic local endorsement as the following:

Mrs. J. B. Gibson of 113 West Fourth street says:

"The value of Doan's Kidney Pills is quickly made manifest by their use. I obtained them at J. Jas. Wood & Son's Drugstore, corner of West Second and Market streets, and although my experience was not extensive it was because their curative powers were so quickly demonstrated that extended use was unnecessary. The quick relief from backache which was obtained from the use of Doan's Kidney Pills caused me to recommend this valuable medicine whenever opportunity offers."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no substitute.

MANY DOCTORS

INTERESTED IN THE CASE OF
MRS. ROBERT WHITELEY.

Mr. Pecor's Vinol Cured Her of Chronic Stomach Trouble and She Has Gained 34 Pounds.

Mr. Robert Whiteley of Pittsburgh, Pa., writes: "My wife was subject to chronic stomach trouble and terrible nervousness; she was thin, and had a worn-out look. Doctors, after great expense, all failed to help her. At last she tried Vinol, and soon the change in her condition seemed almost miraculous. She continued its use, and today she is in perfect health and has gained 36 pounds—her friends hardly know her so great is the change. To Vinol we

MRS. ROBERT WHITELEY.

give all the praise, and everywhere I recommend your Vinol, as I have more faith in it than I have in doctors or any other medicine."

Our Vinol cures conditions like this, because it contains in a concentrated form all of the vital principles contained in cod liver oil, and it is the greatest strength creator known to medicine. Vinol tones up the tired, weakened nerves of the stomach; it purifies and enriches the blood; it invigorates every organ in the body to do its work as nature intended, and solid, firm flesh, abounding health and vitality is the sure result.

Every person in Maysville is invited to call at our store and get a bottle of Vinol. If it fails to do what we claim for it we will give back your money. You see by the above letter that the fame of Vinol is spreading far and wide. J. C. Pecor, Druggist.

Mr. Winford McKinley and Miss Cora Winter, both of Bracken county, married in Covington.

Mrs. Anne Barrett and Miss Verna Blackerby of Brooksville, Miss Jessie Jeffers and Mrs. Kate Hardy of Vanceburg, and Miss Pearl Plauk of Flemingsburg have been nominated from their respective counties for The Commercial Tribune's World's Fair trip.

LOOK OUT FOR HIM!

It's Dollars to Cents He Will Strike Maysville Some Day

A brand new deadbeat racket is being worked. A stranger hits a town, picks out the wealthiest and largest Church and attends worship Sunday morning. Just as the benediction is finished the stranger has a fit, tumbles over, froths at the mouth and has a good hard one; or, contrarily, he receives attention.

On the inside of his coat is found a card which notifies the charitable friends that in case he is found dead, or dies in a fit, to send the body to a certain city, usually several hundred miles away.

Presently the subject recovers sufficiently to talk and tell his story about his fits becoming more frequent and that he is trying to get home before he dies, but has spent all his money. A collection is started and usually more than that amount is raised.

He goes his way and gets ready to have a fit the next Sunday in some other town.

Letters from Women

Cured by the use of Kodol are received daily. Their troubles nearly all begin with indigestion or other stomach disorder.
If the food you eat fails to give strength to your body, it is because the juices secreted by the stomach and digestive organs are inadequate to transform the nutrient properties of the food into blood. That is indigestion. The system is deprived of the amount of nourishment required to keep up the strength, and the result is that one or more of the delicate organs gradually grows weak, and then weaker, until finally it is diseased. Here a great mistake is made. That of treating the diseased organ. The best doctors in the land make this very mistake. Why should they? It is so easy to see that the trouble is not there.

Kodol Cures

This famous remedy puts the stomach and digestive organs in a healthy condition so that rich, red blood is sent coursing through the veins and arteries of every muscle, tissue and fiber throughout every organ of the entire body, and by Nature's law of health, full strength and vigor is soon restored to each.

Kodol cures indigestion, dyspepsia and all stomach disorders.
I have taken Kodol for nearly two months after each meal and it is the only remedy that gave relief from the terrible pains I endured. After a time I would take it but once a day, and now, while I keep a bottle handy I seldom need it, as it has cured me. Mrs. J. W. COOLBAUGH, Milo Center, N. Y.
